COLLEGE DEPARTMENT

CONTEMPORARY SOCIOLOGY: AN INTRODUCTORY TEXTBOOK OF READINGS

Edited by MILTON L. BARRON, *The City College of New York*. 1964. 672 pages. Paperback. \$4.50

USERS TELL WHY

"Current, important, varied selections, coupled with the brief introductory remarks before readings. These are the reasons I've adopted the text." HARRY E. ALLEN, *Ohio State University*

"An excellent selection. The best I have found as a supplementary source to accompany the regular text in Principles." CLARK H. BOUWMAN, *Florida Presbyterian College*

"Probably the best collection of readings available today." J. D. COLFAX, *University of Connecticut*

"Very judiciously selected group of articles giving the beginning student a broad grasp of the role and functions of sociology at its best." CARLO L. LASTRUCCI, *San Francisco State College*

"The Barron text represents an unusually fine collection of the best materials in the field, and an unusually skilled integration of these materials. They are well suited to a sophomore level course." DONALD E. ALLEN, *University of South Florida*

"An approach to introductory readers that is new, and rather exciting. Particularly commendable is the 'theory' section. Something we have needed for a long time for introductory students." HERBERT L. SMITH, *Western Michigan University*

"An excellent collection of readings. I have adopted it for use in my introductory courses in sociology." C. I. WAXMAN, *Central Connecticut State College*

"This is a good collection of recent work which three of us have adopted for the Introductory Sociology course . . ." MARY G. POWERS, *Fordham University*
